

Tourism

16/07/2019

With 14 tourist regions, [Paraná](#) has a huge potential to further develop the tourism sector. With abundant natural and cultural resources, and a diversified gastronomy, it is also the state where Iguaçu National Park is located, with the largest waterfall system in the world.

In addition, Paraná has the public parks of Vila Velha (Ponta Grossa), Monge (Lapa) and Guartelá (Tibagi), which will operate under a concession regime.
